**Do you know
these brands?**

What do
These brands
Have in Common?

Created From Crisis!

They were all

Born between 2008 - 2010

The ONLY
starting point
for making
change

WHY are you working?

1. You believe you can find or provide a solution you feel is missing.
2. What is being done now really frustrates you and you want it to change.

The background of the slide features a stylized, abstract graphic on the right side. It consists of several overlapping, thin, light-colored triangles that create a sense of depth and motion. The colors transition from light green to medium green to dark forest green. The triangles are oriented diagonally, pointing upwards and to the left, which serves as a contrasting background for the text.

**Applying
them to a
University
Experience**

**You meet a
company at an
event then...**

**In your first year at
university you
decide you need a
way to see how the
theory in your
course can be
made practical**

Awareness

Students are struggling to connect reading with application as professionals in their career path

Process

Monthly / Quarterly conversation with companies to compare the learning with day-to-day working

You're in a
lecture and...

The lecturer
mentions they
helped a leading
organisation in the
industry to launch a
report at an event
recently
